Manti Matters

MANTI, Nov. 25,-Snow, snow, snow,

and the letter was handed in to the Express to answer through its col-umps. Lack of space will prevent a very lengthy description of our beau-tiful valley, but we will give a short one now and in the near future a gen-eral write up on its resources. First—The climate cannot be beat in

Fifth—Ashley valley is located in the northeastern part of Utah on the eastern borders of the Uintah neservation and is about ninety miles from the railroad. Its people live in good comfortable houses built of logs, brick, lumber and stone and have as good schools conveniently located as there is in the territory. There is plenty of coal in the valley which is sold at \$1.50 per ten at the mines and good roads to baul it on, and plenty of wood on the hills that can be had for the hauling. Trout are plentiful in the mountain streams and in Green river is tain streams and in Green river is found several other kinds of fish. Deer, elk, bear, mountain lion and other large game is found on the surrounding mountains. In the valley along the streams plenty of wild ducks and

ese can be found.
